CALEB N. FOWLER,

HARRY E. DOW,

Auditors.

OFFICERS OF SCHOOL DISTRICT, 1909.

Moderator—Emery N. Eaton.

Clerk—Jeremiah Chase.

Members of School Board—Thomas F. Owen, Emma L. Marston, Guy W. Chase, John F. Gynan, resigned.

Treasurer—John R. Mahar.

Truant Officer—Frank P. Jones.

Auditors—Caleb N. Fowler, Harry E. Dow.

The schools have been in session thirty-four weeks. There have been several changes in the teachers on account of better positions and one wishing more pay in salary than we could afford to pay under the appropriation. We commenced the fall term with several young teachers who had had no experience in teaching and all, in my opinion, have been quite successful. The other teachers, all who have held their positions several years, have given satisfaction.

We have finished grading our schools and expect to see better results and improvement along all school lines.

We have introduced Report Cards which have stimulated pupils to better work and keep parents informed as to the progress of the pupils.

We have introduced new readers for the first four grades which have encouraged the teachers for better work and increased the interest of the children. We hope to add new readers for the higher grades. We need histories and arithmetics, also reference books for the seventh and eighth grades.

I wish to call attention to the new laws relating to the raising of school money. A little study of them will enable us at our coming School Meeting to vote intelligently on the very important question of school appropriations.

THOMAS F. OWEN.

To the Selectmen of Scabrook:

The School Board hereby notifies you that the follow-

ing amounts be assessed for the benefit of schools for the ensuing year.

For payment of High School tuition	\$24 00
For text books and pupils' supplies	200 00
